Interns Policy AY 2022-2023 - Objectives of the 'Internship Program':

Following are the intended objectives of internship training:

1. Will expose our students to the industrial environment, which cannot be simulated in the classroom and hence will create competent professionals for the industry
2. Provide possible opportunities to learn, understand and sharpen the real time technical / managerial skills required at the job
3. Exposure to the current technological developments relevant to the subject area of training
4. Experience gained from the 'Industrial Internship' can be used in classroom discussions
5. Create conditions to quest for knowledge and its applicability on the job
6. Learn to apply the Technical knowledge in real industrial situations
7. Gain experience in writing Technical reports/projects
8. Promote academic, professional and/or personal development
9. Understand the social, economic and administrative considerations that influence the working environment of industrial organizations
10. Expose the students to future employers

Internship Policy:

1. Internship Policy - Credit Framework: Reference: Table: 1 Credit Framework for Internship (Page No. 6, Chapter 2, AICTE Guidelines for Organizing Internship – AICTE Internship Policy: Guidelines & Procedures)
