

ANNUAL E-MAGAZINE

A platform for projecting out hidden talents of budding engineers....

GOVERNMENT COLLEGE OF ENGINEERING YAVATMAL

2023 - 24

About college

Main Building of GCOEY

Government College Of Engineering ,Yavatmal was established by the Government of Maharashtra in 2018 through the upgrade of the old Government Polytechnic to provide technical education to students from educationally backward areas. The institute is located in the educational area of the city and is spread over a lush green campus of 40.19 acres.

The institute offers undergraduate engineering education (B.Tech) in five disciplines civil, mechanical, electrical, electronics and telecommunication and computer engineering with an intake of 60 each. The total number of students studying in the institute is more than 1300. The institute is affiliated with Dr. Babasaheb Ambedkar Technological University, Lonere Dist. Ragad.

From Principal's Desk:

Prof. V. B. Waghmare

It gives me immense pleasure to invite aspiring students who are keen to make the best career in the technical field as good technocrats. The engineering holders play a very important role in the industrial and economic development of the country. They develop and master specialized skills in the chosen areas and provide much-needed support in any engineering establishment. Also, students with technical support services in various other sectors of the economy, including the service sector.

Our College of Engineering is among the top reputed technical institutes, imparting high-quality technical education. The evolution of the institute over the past two and a half years has witnessed a strong blend of state-of-the-art infrastructure and intricately intertwined human resources committed to providing professional education with trust in creativity and innovation.

Here at the Engineering Society, we are imparting skills and knowledge to our students in the best possible manner to make them dream big and fulfill those dreams.

Technical
excellence for holistic
socio-economic
development.

VISION

Education Imparting Quality to Develop Globally Competitive Engineers. Enhancing Creativity, Innovation and Promoting Lifelong Learning. Establising Learning Environment and Facilities for Depended Academic Ambience. Developing a deep sense of respect toward the Fundamental duties and constitutional values, bonding with one country, and conscious awareness of one's roles and responsibilities including Ethical and moral values through curriculum and pedagony

Magazine Committee!

It is with great pride that I present "Vortex 2023-24," the first annual e-magazine of GCOEY. This edition showcases the creativity, hard work, and achievements of our students and faculty. Our journey this year has been filled with academic successes, innovative projects, and memorable cultural events. This magazine captures these moments, celebrating the spirit of GCOEY community.

I appreciate the overall contribution of all the stake holders of GCOEY for the development of institute and the budding Engineers. Enjoy reading!

Dr. N. R. Bhasme (Magazine Advisor)

Rashmi Hingve (Magazine Secretory) B.Tech. EE 3rd Year

It is with great excitement that I present "Vortex 2023-24," the first-ever magazine of our college. This edition is a reflection of the dedication and creativity of our students and faculty, capturing the essence of our vibrant community.

I am deeply grateful to everyone who contributed their talents and efforts to make this publication a reality. Your support has made our inaugural edition truly special.

It is with great pride that I present Vortex 2024-25, the inaugural edition of our college magazine. As the editor, I am excited to showcase the creativity, dedication, and hard work of our students and faculty. This magazine highlights the diverse talents within our community.

Enjoy reading!

Venkatesh Gawale (Magazine Editor) B.Tech. EE 2nd Year

COMPUTER SCIENCE DEPARTMENT

Vision & Mission

FACULTY

- 1) Chetan Andhare (HOD)
 - 2) Vivek Shelke
- 3) Dhiraj Shirbhate
- 4) Rashmi Thakre
- 5) Shital Gawale
 - 6) Jaya Zade
 - 7) Shweta Junghare
- 8) B.D. Gedam
- 9) A.V. Mahalle
 - o) R.D. Dahiwade

Our mission is to provide a transformative education in computer engineering that empowers students with the knowledge, skills, and creativity to excel in the rapidly evolving tech landscape. We strive to foster innovation, critical thinking, and ethical practices through a dynamic curriculum and cutting-edge research.

Our vision is to be a leader in computer engineering education and research, recognized globally for our contributions to technological advancements and societal betterment. We aim to cultivate a community of lifelong learners and innovators who drive progress and address the challenges of the future.

08

Civil Engineering

Vision

To develop a centre for imparting the quality technical education to meet the challenges of industries and to make them ethically strong Engineers to build our nation.

Mission

To develop competent Civil Engineer of high caliber technical skills, professional and ethical values to serve the society and nation.

To promote innovative and original thinking to face the global challenges in the Industries.

To take on the challenges of creating and sustaining the built environment that underpins our society.

To create highly skilled Civil Engineering graduates capable of working in industry or an entrepreneur.

FACULTY

- 1) Dr. M.N. Qureshi(HOD)
- 2) Dr. R.K.Rai
- 3) N.K.Meshram
- 4) S.V.Jambhulkar
- 5) T.N. Kothari
- 6) P.A.Mantri
- 7) T.S. Ade
- 8) P.A. Pimpalkar
- 9) P.A. Piprade
- 10) S.B. Bhonge
- 11) R.S. Dhere
- 12) A.A. Junghare

Civil Department Visit

Students from the Civil Engineering Department recently visited a water treatment plant as part of their practical learning experience. The visit provided them with valuable insights into the various stages

of water purification, including sedimentation, filtration, and disinfection. It allowed them to observe firsthand the complex processes involved in ensuring the safety and quality of drinking water. This educational tour not only enhanced their theoretical knowledge but also gave them a deeper understanding of the real-world applications of civil engineering in public health and environmental sustainability.

Dr. M.W. Mohod

Vision

Mould generations of electrical engineers imparting global skills with multi disciplinary perspective to meet evolving societal needs.

Mission

- 1. To provide best-in-class infrastructure and resources to achieve excellence in electrical engineering
- 2. To design and maintain the highest quality education through active engagement with all stakeholders and reputed academic institutions
- 3. To give interdisciplinary exposure and promote a culture of collaboration that allows creativity, innovation, and entrepreneurship to flourish.
 - 4. To practice and promote high standards of professional ethics, transparency, team work and accountability
 - 5. To embed self learning ability developing the lifelong learning attitude

Electrical Department

Achievements

Dipak Milind Kadukar achieved a remarkable feat by winning the gold medal in the 100m event at the Youth Games Indo-Nepal International Series 2023. The competition, held from 26 to 30 September 2023 at Dasharath Rangasala Stadium in Kathmandu, Nepal, brought together the best young athletes from the region. Dipak's outstanding performance in this prestigious international event is a testament to his dedication, speed, and athletic prowess, making his victory a proud moment for all.

Visit

Students from the Electrical Engineering Department recently visited the Chandrapur Hydro Power Plant and Solar Power Planton 24 Nov. 2023. The visit offered them valuable insights into renewable energy technologies, allowing them to observe the practical generation of electricity from both water and solar energy. This experience significantly enriched

ELECTRONIC & TELECOMMUNICATION

Vision

To equip graduates of Electronics and Telecommunications Engineering with the knowledge and expertise they need to meet society's expanding needs.

Mission

To explore, create, and offer creative concepts and research for the teaching and learning

To achieve professional achievement in education, research, and industry.

Department of Electronics and Telecommunication Engineering started U.G. Course B.Tech. (E&TC) in the year 2018 with a sanctioned intake of 60 and is affiliated with Dr. Babasaheb Ambedkar Technological University, Lonere, Raigad. The department's main goal has been to provide high-quality instruction, training, and research which aims to educate students with a focus on the design elements of electronic systems. The students are encouraged to obtain credit by completing various online courses such as NPTEL/Swayam/MOOC Learning Platform.

Achievements

S. S. Gadgilwar

Techno vision

The Electronics and Telecommunication Department recently organized a nationallevel paper presentation competition on 6 April 2024. The event saw enthusiastic participation from students across various institutions, showcasing their innovative ideas and research in the different fields. The competition was a resounding success, with students demonstrating exceptional knowledge and creativity. Out of the many participants, three outstanding papers were selected as winners, and the authors were awarded well-deserved prizes for their excellence. This event not only highlighted the department's commitment to fostering academic excellence but also provided a platform for students to exchange ideas and gain recognition on a national level.

Mechanical

The vision of the department is to achieve excellence in teaching, learning, research and transfer of technology and overall development of students.

Imparting quality education, looking after holistic development of students and conducting need based research and extension.

The Department of Mechanical Engineering was established in the year 2018. First batch of the department is in Final year in current academic year 2021-22. The department has good infrastructure & facilities. The department offers UG program (B. Tech. - Mechanical Engineering) with intake of 60 and is affiliated to Dr. Babasaheb Ambedkar Technological University Lonere, Raigad.

During the 4 year UG program, students are deputed for internship/industrial training of minimum 4 weeks duration during Summer/Winter break (As per DBATU curriculum and guidelines). Students are encouraged to opt for NPTEL/SWAYAM/MOOCS courses conducted by IIT's/NIT's etc., students can earn credits after successfully completing these courses as per DBATU rules, students are also encouraged to undertake Final year Project work during the internship. Institute level Training & Placement cell provide necessary support to the students in placement activities. In academic year 2021-22 students are placed in companies like ACC, Infosys, TCS, Square yard, NCDEX, e-Market Ltd. Etc

NPTEL

Institute has received NPTEL "A"
rating consecutively three years i.e. for
2021 - 22, 2022 - 23, 2023 - 24 and
among top 200 institutions at National
level. Dr. N. R. Bhasme also received
certificates of appreciation for his
instrumental role as SPOC at Local
Centre GCOEY. Students from Electrical
Engineering, Civil Engineering,
Mechanical Engineering, Computer
Science and Engineering, Electronics &
Telecommunication Engineering
disciplines are appearing every year for
NPTEL Certification courses to enhance

their technical knowledge, competencies & soft skills.

Dr. N. R. Bhasme SPOC - NPTEL Local Centre - GCOEY

Additionally, Constitution Day on 26
November 2023 featured educational
activities, while Ambedkar Jayanti on
14 April 2024 celebrated Dr. B.R.
Ambedkar's contributions. NSS Day
on 24 September 2023 highlighted
community service, leadership
workshops, and cultural programs.
Our NSS unit continues to foster social
responsibility and empathy, with
students gaining invaluable experiences
and making meaningful contributions
to society. We look forward to another
year of impactful service and
community engagement.

Despite the challenges of the year, our NSS student volunteers at Government College of Engineering, Yavatmal, remained undeterred, thanks to their enthusiasm and the efficient guidance of Programme Officers. Various impactful programs were organized, showcasing the dedication and community spirit of our NSS unit. Key activities included a Cleanliness Drive on 1 October 2023. On the occasion of Independence Day, we celebrated a tree plantation program to commemorate our nation's freedom and reaffirm our commitment to environmental conservation on 15 August 2023, a Blood Donation Camp on 20 February 2024, and the "Meri Mati Mera Desh" campaign on 13 October 2023.

Dr. S.M. Lawankar (NSS Co-ordinator)

Vijay Mapari(NSS Secretary)B.Tech EE

Nss

Activities

August 15, 2023

To celebrate Independence Day, NSS volunteers organized a tree plantation drive. This initiative aimed at enhancing green cover and promoting environmental sustainability

The NSS Unit celebrated NSS Day, highlighting the importance of the National Service Scheme (NSS) in fostering social responsibility and community service among students.

October 1, 2023

The college observed clean India to create awareness about a clean and green environment. The volunteers conducted a cleanliness drive within the college campus and the surrounding areas.

Ns Activities

· October 13, 2023

As part of the "Meri Mati Mera Desh" campaign, NSS volunteers collected soil from garden of our college for the Amrit Kalash Yatra to create the Amrit Vatika in Delhi. This campaign was launched in several districts of Maharashtra to pay homage to the heroes who laid down their lives for the country.

November 26, 2023

On Constitution Day, the NSS unit organized activities to educate students about the significance of the Indian Constitution. The program featured a reading of the Preamble, discussions on fundamental rights and duties,.

February 20, 2024

In collaboration with the Government hospital blood bank, our NSS unit conducted a blood donation camp.

Athletes displayed exceptional talent and sportsmanship, making for an energetic and spirited day. Kudos to all participants and the organizers for a successful event!

28

June 6,2023

श्रेवराज्यामिषक प्रमाणका

Every year, our college proudly commemorates the coronation of Chhatrapati Shivaji Maharaj with a series of vibrant cultural events. Marking Shivaji's historic coronation on June 6, 1674, at Raigad Fort, our celebrations symbolize Maratha sovereignty and the revival of Hindu traditions. The event features drama performances reenacting significant episodes from Shivaji's life, traditional Marathi ballads (Powada), patriotic songs, inspiring speeches, and traditional dances like Lavani and Koli. Energetic Lezim performances further showcase the unity and enthusiasm of our students. This annual celebration not only honors Shivaji Maharaj's legacy but also inspires us to embody his values of courage, resilience, and justice.

ENGINEERS DAY

2023

CELEBRATING THE INNOVATORS OF TOMORROW

Honoring Engineering Excellence

Every year on September 15th, we celebrate Engineer's Day in India to honor the birth anniversary of Sir Mokshagundam Visvesvaraya, one of the most eminent engineers of our country. This day is a tribute to the engineering community, whose innovations and inventions have made a profound impact on society.

Sir M. Visvesvaraya: A Legacy of Innovation

Sir M. Visvesvaraya, born in 1860, was a pioneer in the field of engineering and an architect of modern India. His contributions to water resource management, infrastructure development, and public welfare have left an indelible mark on the nation's progress. He was instrumental in the construction of several dams, including the Krishna Raja Sagara dam in Mysore, which remains a marvel of engineering even today.

29

GINEER'S

ဖ

N

"A historic day to remember our national heroes and freedom fighters, who fought to give us a Republic nation".

The college celebrated the country's 75th Republic Day on 26th January 2024. The celebration began with our Principal, hoisting the Tricolor flag, accompanied by the college staff and the Gymkhana Secretaries, This was followed by the singing of the National Anthem, instilling a sense of patriotism and unity among all present.

Sweets were distributed to all those present, and the program came to a close, leaving everyone with a sense of pride and unity. The 75th Republic Day Celebration at our college were a tribute to our nation's legacy and an inspiration for us all to contribute towards a progressive India.

Government College Of Engineering, Yavatmal

On 14th April, our college commemorated Ambedkar Jayanti to honor the birth anniversary of Dr. B.R. Ambedkar, the principal architect of the Indian Constitution.

The celebration began with the lighting of a ceremonial lamp (Deep Prajwalan) by faculty members and students. symbolizing the enlightenment Dr. Ambedkar brought to society. This was followed by a respectful garlanding of his framed photo.

A brief speech was delivered, highlighting Dr. Ambedkar's invaluable contributions to social justice and equality in India.

This simple yet meaningful celebration reflected our deep respect for Dr. Ambedkar's enduring legacy and his vision for an inclusive society.

On February 19, 2024, the college celebrated Shiv Jayanti and Traditional Day with great enthusiasm. This special day seamlessly combined historical reverence with vibrant cultural expressions. The event paid tribute to Chhatrapati Shivaji Maharaj through moving speeches and traditional songs that filled the campus with pride and inspiration.

The highlight of the day was the Traditional Day festivities, where students proudly donned an impressive array of traditional attire, including colorful sarees, lehengas, dhotis, and kurtas. The campus was transformed into a lively display of cultural heritage, showcasing the rich diversity and vibrant traditions of our community.

The collective celebration of Shiv Jayanti and Traditional Day underscored our commitment to honoring our past while embracing and celebrating our cultural identity. We extend our heartfelt thanks to everyone who contributed to making this day a memorable success.

DBATU Nagpur Zone tournaments

The DBATU Nagpur zone Tournaments was held at J D College of Engineering and Management, Nagpur, on 18 November 2023. Our college's participation was outstanding, with several players selected for the Nagpur Zone Tournament. This achievement highlights our athletes' dedication and the support from our coaches.

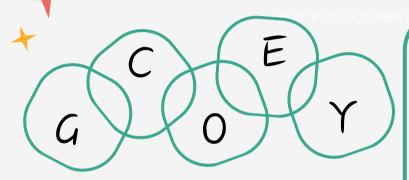

We are also proud to announce that the Nagpur Zone Kho - Kho Competition will be held in Satara & athletic Competition at Nagpur, and our college's performance in the selection rounds was exceptional. Congratulations to the selected players for bringing honor to our college and setting a high standard for the upcoming zone competition. Keep up the fantastic work!

COLLEGE GATHERING

Revolution 2K24

Program:

Dance

Drama

Singing

Mimicry

The College proudly hosted its first annual gathering, "Revolution 2K24," on the 5th and 6th of March 2024. This two-day event was a spectacular celebration of our students' talents and creativity.

Day one featured an array of vibrant dance performances and thought-provoking drama presentations that captivated the audience. On the second day, the campus resonated with melodious tunes as students showcased their vocal talents in a delightful singing program.

Revolution 2K24 was highlighting the energy, passion, and spirit of our college community. This memorable event set a high standard for future gatherings and brought our college community closer together.

निस्वार्थ वडील

बाबा, तुमच्यासाठी जगायच राहुनच गेलं, तुमच्या हसऱ्या चेहऱ्या मागील दुःख आम्हाला का नाही कळलं तुमच्या स्वप्नाचं मिसाईल तर केव्हाचं उध्वस्त झालं, खडे वेचण्याच्या नादात बाप नावाचा मोती केव्हाच हरवला

काळाच्या ओघात तुमच पोर बदलुन गेलं, तुमचं स्वप्न ते स्वप्नच राहीलं, आम्ही स्वप्न काही तरी वेगळच पाहीलं, तुमच्या परिस्थीतीत भान आम्हा नाहीलं

बाबा तुम्ही दुःखाला केव्हाच कवटाळलं बाप नावच व्यक्तीमत्व आम्हा नाही कळलं, भरल्या परीवारातुन आम्ही तुम्हाला परक केलं, तुम्ही तर पुर्ण आयुष्य कर्णा सारखं एकटयाने लढलं

संपूर्ण जग आम्ही प्रेमासाठी फिरल, बापासारखं निस्वार्थ प्रेम आम्हाला नाही मिळालं तुम्हाला आम्ही इच्छापुर्ती जीन म्हणुनच पाहीलं, बाबा, तुमच्यासाठी जगायच राहुनच गेलं....

- मारोती गंगाधर बोबडे

पुस्तक

ज्ञानाच्या अलंकारांनी सामावलेला हा उपहार, हे अनमोल उपहार देऊन देवाने केले उपकार, तोच आपला जीवलग सखा अन कलाकार.

संत ज्ञानेश्वरांची ज्ञानेश्वरी अन तुकारामांची गाथा, प्राचीन गोष्टी पुनर्जीवीत करून देणारा तोच आपला दाता

शिवरायांचा पराक्रम अन लक्ष्मीबाईंचा शुरवीर पणा इतिहासा मध्ये साठवला आहे प्रत्येक गोष्टींचा कणाकणा.

केवळ याच दात्यांमुळे भारतीय संस्कृती टिकुन राहीली, अन संताची शिकवणी प्रत्येकांच्या घरोघरी गेली.

म्हणुन तर आपण मानले पुस्तकांना आपले मित्र अन गुरू, सांगा मित्रांनो या गुरुंच हे उपकार कसे विसरू....

कु.निकीता वि. काळे

खट्याळ मनं

अंधारलेली रात्र जरी नभाळलेला चंद्र तो क्षणीक हुलकावणी देणार दुसऱ्या क्षणी स्पष्ट् तो

लपंडावाच खेळ मांडीत मागुन येता थक्क करी पण दिसले मी उदास तर लगेच संवेदनाशील

नेहमी असते तक्रार माझी या खटयाळ वीराशी सदा असतो खंबीर जरी कोमल नाजुक फुला परी

म्हणतो हा मला नेहमी
काय हे वागणे वेळयापरी
पण आनंदुन जातो जेव्हा कधी
वर्तन बालिश तरूणा परी

सुंदर सुरेल गीत गातो गोड मधुन बासरी जणु आक्रोश जरी बलाढय असे गिरी वृंद जसे हे

निराळे विश्व हे

माझ्या बरोबर सदा विहारी

भ्रमरक हे जणू

ज्ञानदायिनी पुस्तक परी.

vrtex 2023-24 - गौरी निनावे

Limitless Expression...

Nothing have to hide, By the lot of sense, Fault to be a open wide, Don't have any to loose hence. Cause some's got that, Limiting to be sure, Sight is the only fact, Savage as a pure. Playing of the mood, Freer more than anyone, Thoughts of bad or good, Isn't it for that someone? Simpling the way of it, Ridiculous that it seems, Individuals of every greed, Damn as like as films. Through the way called path, What every geezer says by, "Brat, don't be like that" Yelling on all he lie. Beyond the tolerating, Limiting vibe of mouth, Things need to be gettin', Just letting it pass!

45

Afterlife.....

Maybe in the afterlife,

We will begin again,

With the same night, Same light,

Same bike,

But this time by your side.....

Maybe we won't feud again,

I will not clutter again,

But only if you not walk away,

My dear this time,

It will not happen again,

For the dainty stars and the moon,

We always talked about,

Will you ever come to say,

if I leave.

Just to remind me that, I endeavour

Only in my muse,
we'll abide eternal.
But If you ever feel so,
Maybe, in afterlife......

भरारी

वाटतं तेवढ सोप नसतं ध्येय साध्य करणं रोज रोज झटावं लागत तरीही हाती येत हरणं

आई वडील गुरु शिक्षक रोज नवीन काही शिकवते ठेवून थोडे धैर्य ध्येय साध्य होत जाते

सुरुवात असो वा शेवट जिद्द कायम असू दे यश आज नाहीतर उद्या येईलच या आशेवर जगून घे

सूर्यापरी वेग सदैव तू घेत रहा न घाबरता अडचणींना पुढे तू जात रहा

येईल तो दिवस जेव्हा
पंख पसरवून भरारी घेशील
तुझ्या या यशावर
सर्वजण गर्व करतील
सर्वजण गर्व करतील

- प्रांजली फुलकर II B.Tech EE

मंजिल

बहुत सोया हुआ है तु ए आफताब अब होश में आने का वक्त आया। तू चीज है क्या, ए दुनिया को दिखाने का वक्त आया।। जो कुछ भी सीखा है दौर-ए-जिंदगी में वह सबकुछ आजमाने का वक्त आया। बहुत कर लिया हासिल इल्म, अब इम्तिहान देने का वक्त आया ।। की है बहुत गलतियां, अब उन गलतियों को भूल जाने का वक्त आया। जो देखे थे तूने कुछ अधूरे ख्वाब उन ख्वाबों को पूरा करने का वक्त आया ।। कश्ती है एक और मुसाफिर भी एक, अब सफर ए कामयाबी सुरु करने का वक्त आया। तेरे मां और बाप के मेहनतो और दुआओं का सिला देने का वक्त आया ।। एक दौर में कामयाबी थी तेरा मुक़द्दर, वही माझी के अफसाने को दोहराने वक्त आया। तू चीज है क्या, ए दुनिया को दिखाने का वक्त आया।।

> – अफताब शेख ।। B.Tech ENTC
